Muhammet Melik **Kolgesiz**

melik@melik.cc | melik.cc | mkolgesiz | mkolgesiz

I am a detail-oriented financial controller in the building materials industry (quarries and ready-mix concrete), with a passion for process improvement and data analytics. I enjoy solving business problems through systematic approaches and have a strong interest in automation and technology-driven solutions in finance.

Experience

Financial Controller

Abidjan / Remote

Abeille Groupe

10/2021 - Present

- Lead the accounting and finance team for two building materials companies (stone quarries and ready-mix concrete plants), overseeing all financial operations and ensuring compliance with IFRS and local regulations
- Established comprehensive internal control systems and created department's first knowledge base with structured guidelines for AP, AR, treasury, and tax processes
- Streamlined and automated invoicing process, reducing processing time from 4 days to 2 days
- Implemented quality control measures reducing invoicing and accounting errors from 4% to less than 1%
- Led e-invoicing integration and staff training, achieving a smooth go-live in late 2025 with no operational disruption
- Implemented robust document processing guidelines that significantly reduced audit preparation time and improved compliance documentation

Regional Accounting Manager

Abidjan, Côte d'Ivoire

Turkish Airlines

02/2017 - 09/2021

- Managed accounting and finance operations across four West African countries (Côte d'Ivoire, Burkina Faso, Benin, Sierra Leone) with combined annual revenue exceeding $25 million
- Oversaw local accounting and company accounting processes for regional operations, ensuring compliance with local regulations and company standards
- Led annual audit processes for multi-country operations, maintaining high compliance standards across all jurisdictions
- Selected for Sierra Leone new office establishment team, overseeing all financial and operational setup processes for market entry

Revenue Accounting Specialist

Istanbul, Turkey

Turkish Airlines

08/2015 - 02/2017

- Managed revenue accounting operations for East Asia region, overseeing accounts receivable processes across multiple markets
- Collaborated with regional accounting managers to ensure compliance and accuracy in daily accounting operations
- Monitored and controlled day-to-day operations for accounts receivable processes, maintaining high standards of financial accuracy
- Successfully resolved complex reconciliation issues with major general cargo sales agencies across East Asia through cross-functional collaboration with regional accounting managers and cargo revenue department
